

Maine Fire & Rescue Instructors would like to remind you about MFTE/SMCC's

**Emergency Vehicle Operators Course - *Traveling Trailer***  
*It's never too soon to be planning for outdoor training!*

*If your Department is planning an Emergency Vehicle Operators Course, note that MFTE/SMCC has a EVOG Traveling Trailer available for loan!*

This trailer was debuted with great success for a number of EVOG classes in the fall of 2008. It was designed by MFTE Logistics staff and is equipped with everything you need to organize and set up a VFIS or USFA certified course.

*Many thanks to MFTE / SMCC for making this resource available for Maine's firefighters & instructors!*
